TO : [ ]  
 FROM : CCC  
 SUBJECT: Project ZRLYNCH

DATE: 4 September 1951

1. On 1 September 1950 the Covert Coordination Committee developed a financial plan for the subject project. At that time it was agreed that the Committee should review the project at intervals of not more than 6 months with a view to amending or modifying the financial plan as circumstances might require. To date no such review has been achieved.

2. It is requested, therefore, that you review operations and progress to date under this project in the light of the requirements imposed by the Committee's plan of 1 September 1950. Particular attention should be paid to the need for ratification by the Committee of necessary departures from this plan and to the need for additions to cover activities for situations not previously contemplated. Upon completion of this review, kindly inform the undersigned in order that a meeting of the Committee may be scheduled. ✓
